

Peer Edit of Bio

1. Are all sections (education, jobs, skills, interests, travel, prizes or awards, future goals) included? Is there enough information in each section? If any sections are missing, ask the writer to explain why.
2. Is the Bio well-organized? Is there a strong and interesting opening sentence? Does the body give enough information? Is there a conclusion sentence?
3. Are there any spelling, punctuation, capitalization or grammar mistakes?
4. What is the best thing about the Bio?
5. What is the most important thing to change about the Bio?
