

Freshman English 2 Group Job Presentation

- The presentation is worth 10 points (10% of your final grade)
- The presentation should be 4-6 minutes long
- All members of the group should participate and have a role in preparing and presenting. **Teamwork** will be a portion of your grade.
- **You can NOT read a script** during the presentation. You can use notes if you want but you should only check them, not read them. Make sure to look at the class when you are speaking (eye contact).
- Have fun with this! Make sure that your presentation is **entertaining, fun and interesting**. Make it easy to present but not boring. Show us why your company's job is the best in the world!
- Remember to speak **loudly and clearly**! Proper volume so the teacher can hear you is part of your grade.
- Present with **energy and enthusiasm**. Remember to use proper gestures, body language, eye contact and facial expressions. Be exciting!
- You must create a **PowerPoint** or some other kind of **visual aid** using the computer. You should use this somehow in your presentation. You can be creative with this. Just use the computer in some way.
- Be sure to give an **introduction** of your company. What is the company's name and purpose? Why are you offering the best job in the world?
- Also, include a **closing** to your presentation. Give a summary of your presentation or restate the most important information. Make us remember your presentation and your job!

This is your chance to be creative and have fun. Being silly, funny and eccentric is encouraged! Plan something that you can have fun preparing for as well as presenting.
